## Repeating Pattern Stamping Paintings // Pattern Scratch Art

### First Grade

**PATTERN:** a set of characteristics that are displayed repeatedly

**STAMPING:** shapes pressed into ink to leave a mark when placed onto another surface

**COLLAGE:** use of pre-existing materials or objects attached as part of a two-dimensional surface

Step 1: Write name on back of paper; (No name, no fame!)

Step 2:  
Place tissue paper squares onto paper and paint with water, cut smaller shapes, make sure paper is soaked

Step 3:  
Allow paper to dry on drying rack

Step 4:  
Stamp paper with repeating patterns
