

# Miro Inspired Monsters

Second Grade

## Objectives:

- Students will use knowledge of shapes and lines to create three monsters
- Students will use proper watercolor painting techniques
- Students can identify two elements of art used in painting

## Steps:

1. **Use sharpie markers, thin and thick, to draw simple line and shape monsters!**  
*\*\*really think about each mark you make on your paper \*\* think about arms, legs, eyes, mouth, etc.*
2. **Add shapes and line to background**
3. **Use watercolor paint to paint project, neatly.** *\*\*paper towel test before switching colors*
4. *\*WRITE NAME ON BACK OF PAPER!*
