“Dot- paintings”

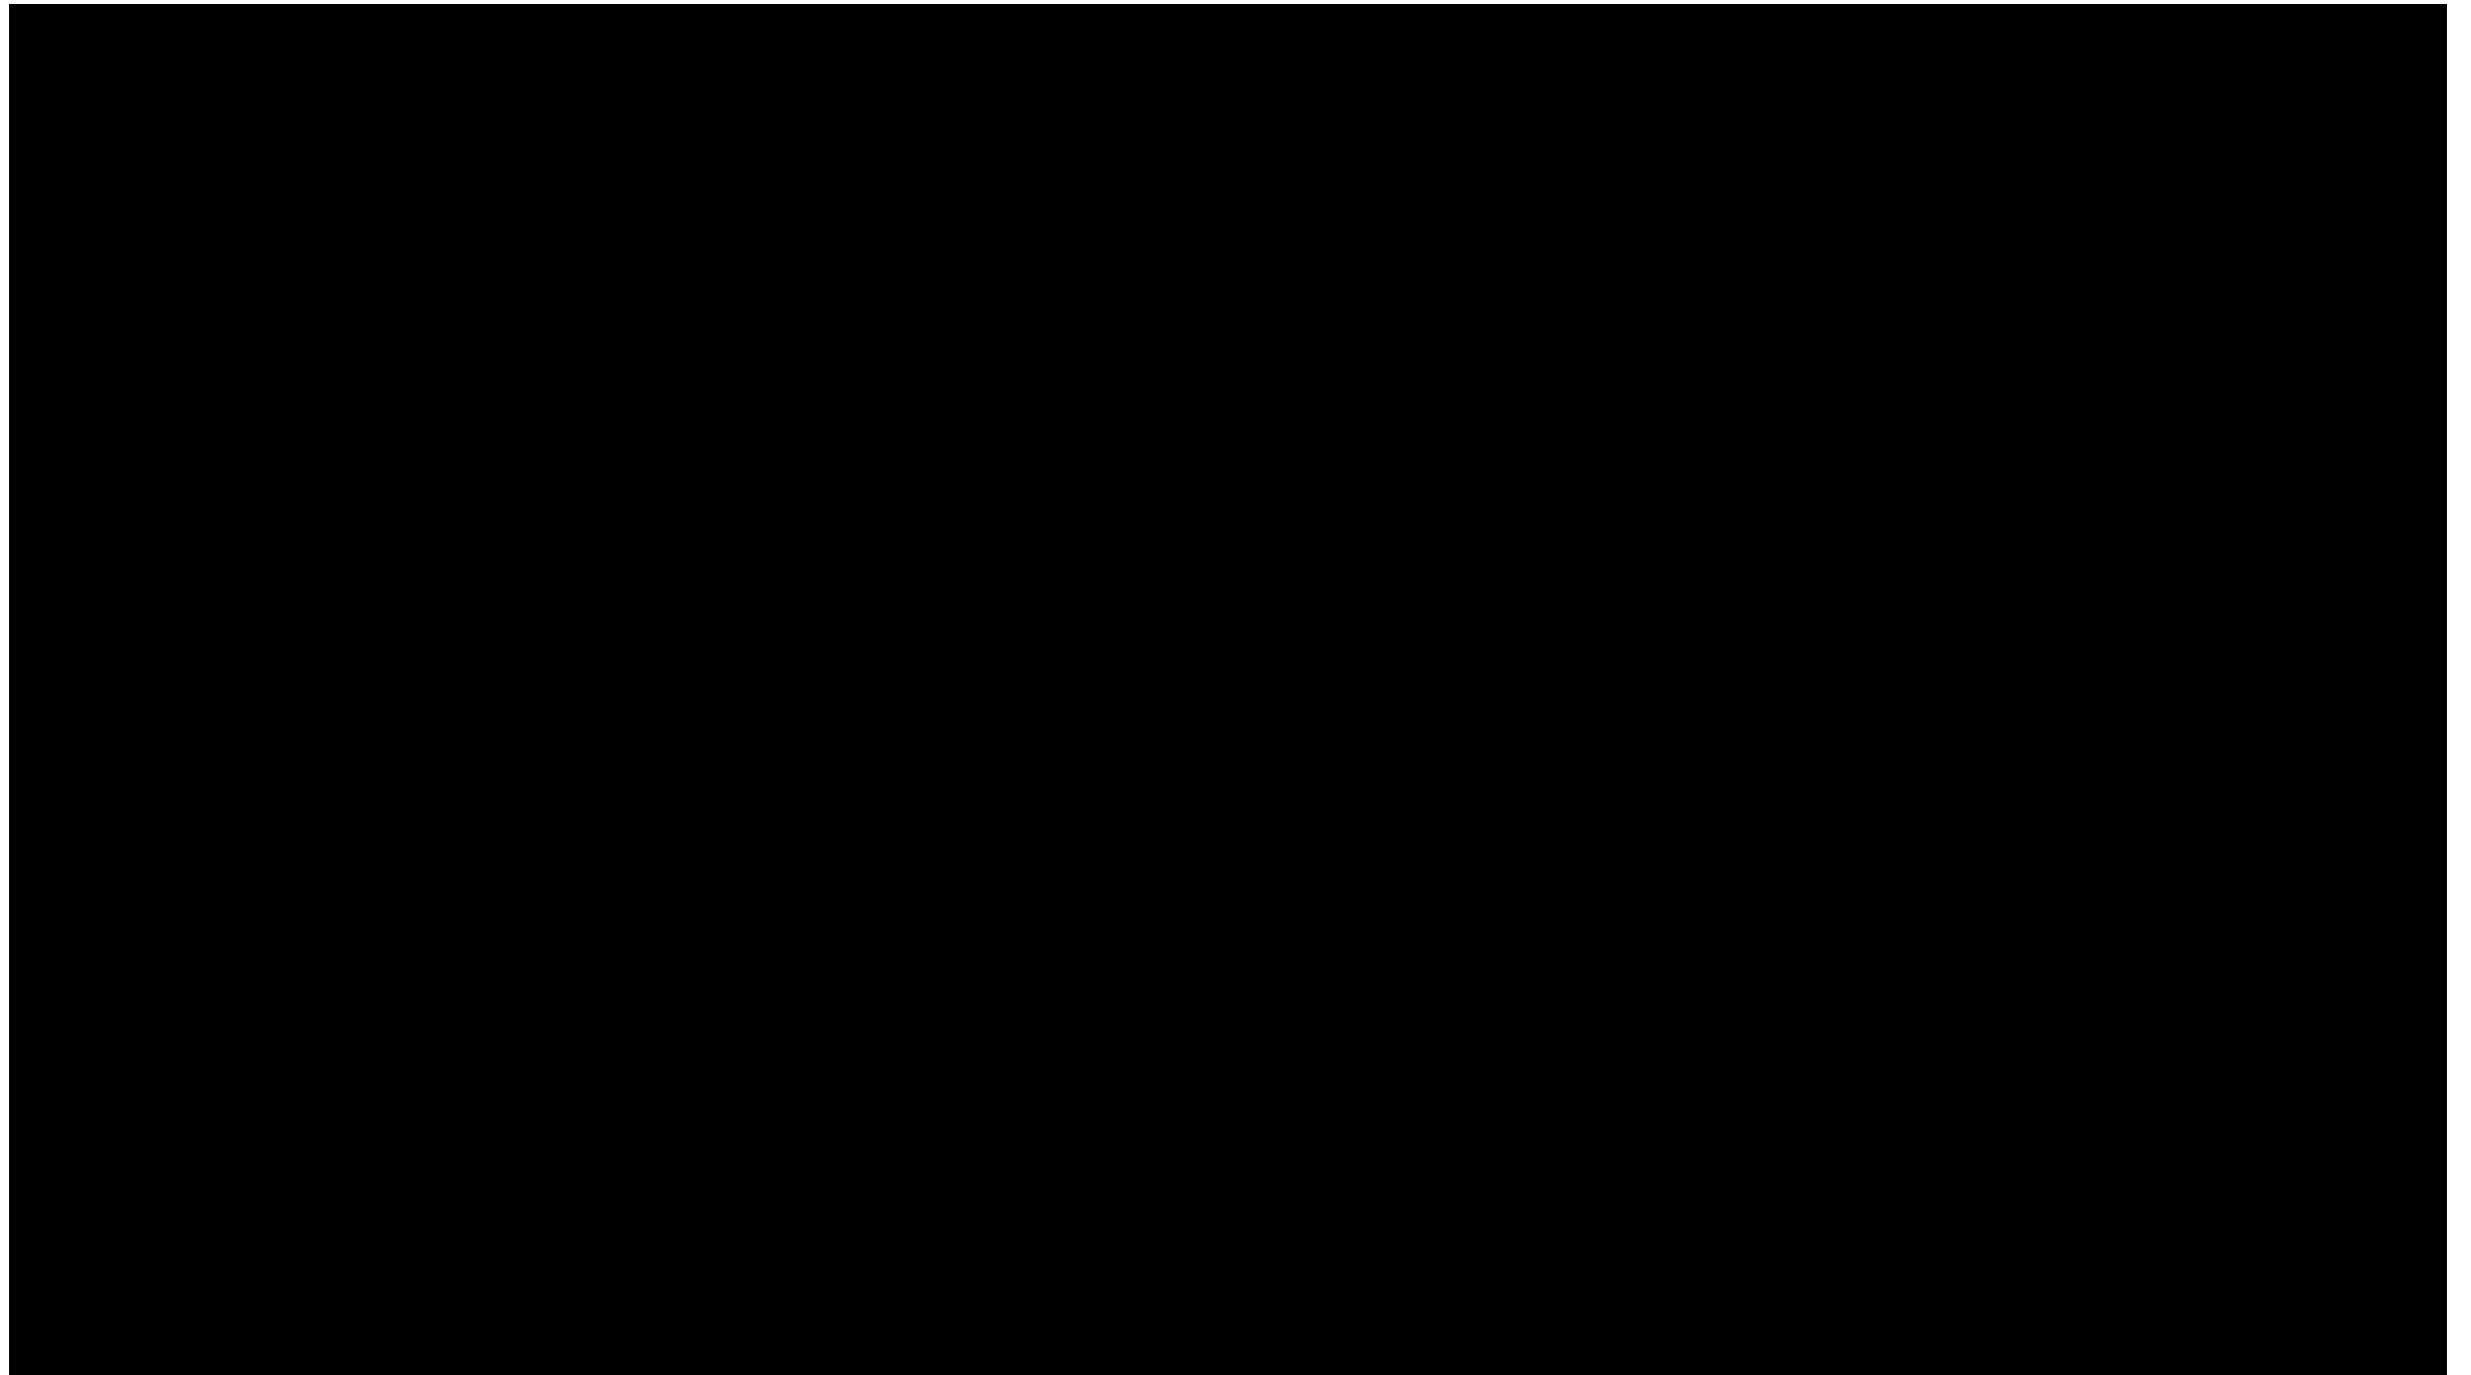

ART HISTORY

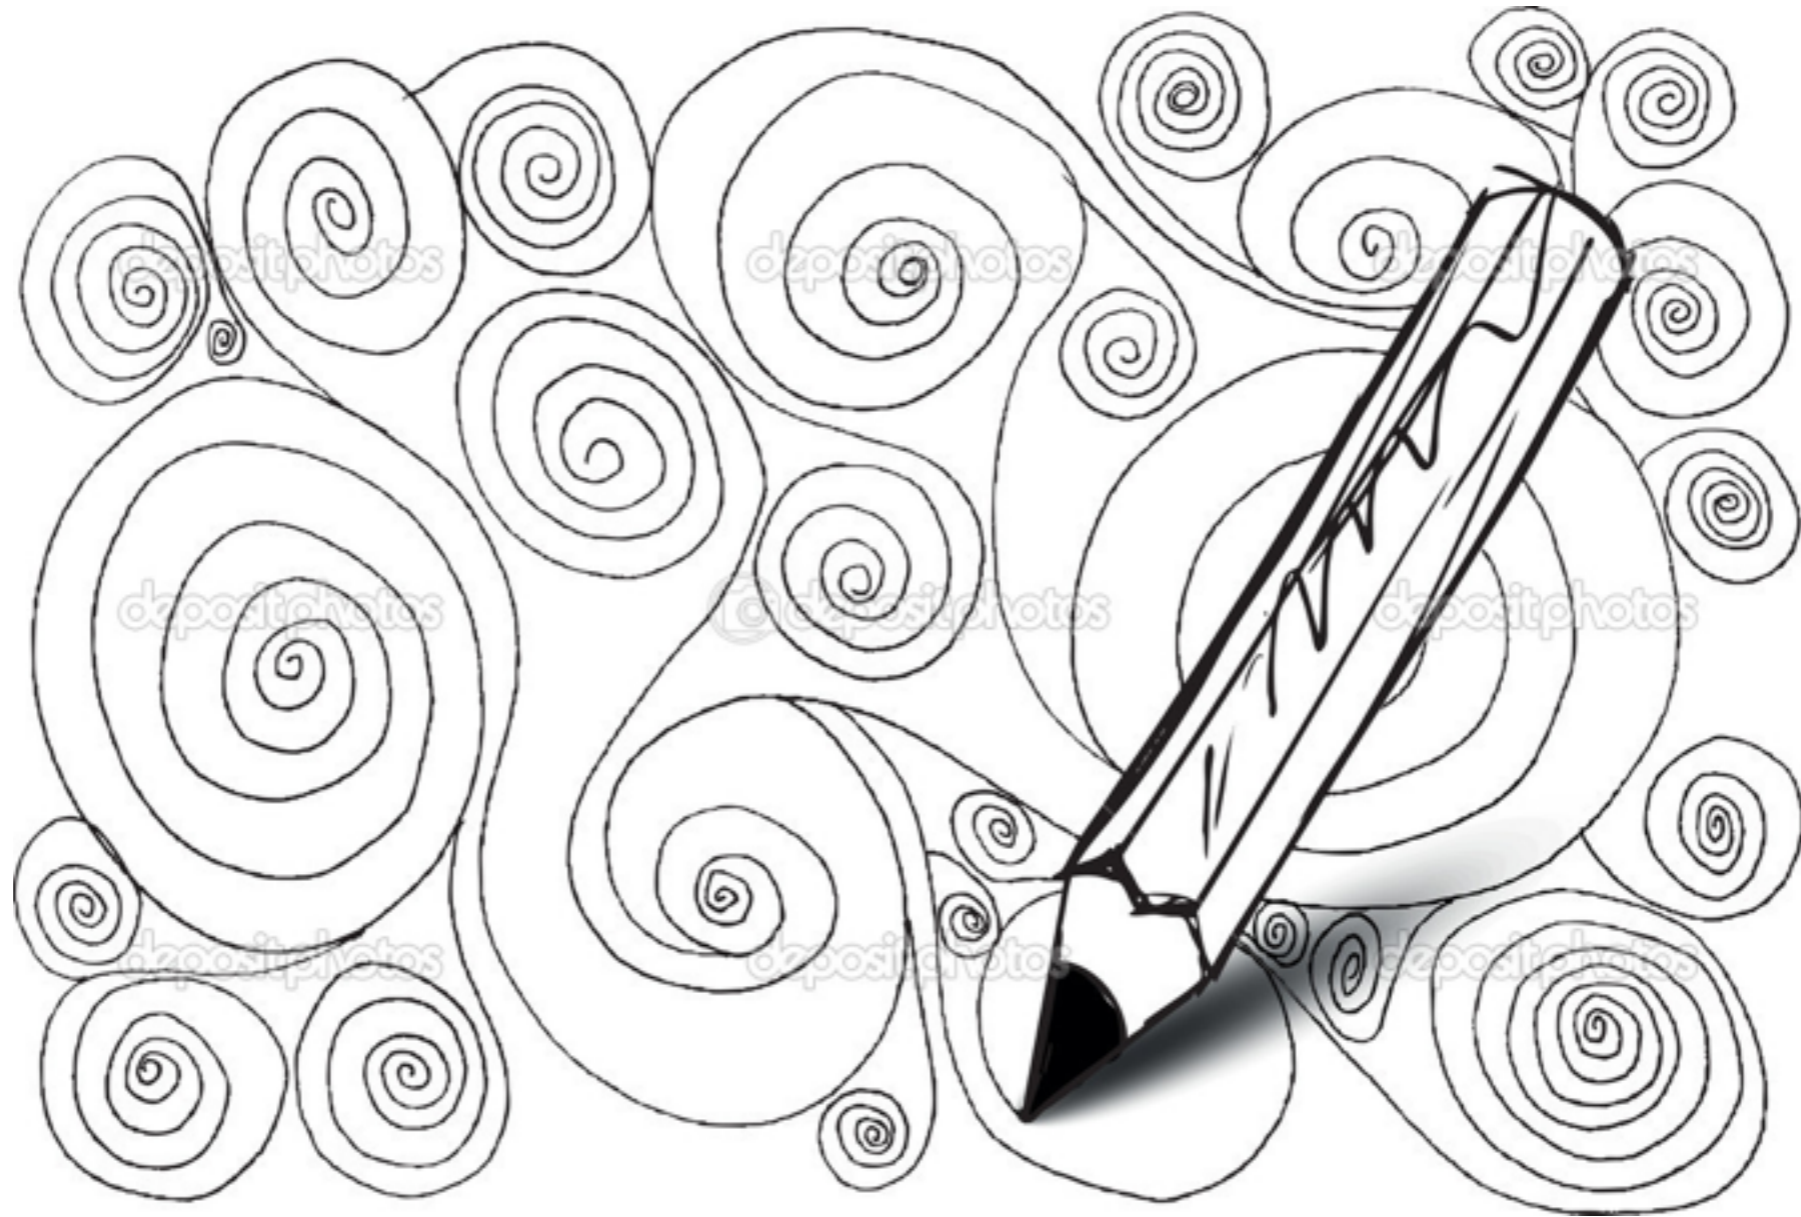

Step 1: Draw out design on paper. LIGHTLY WITH PENCIL

Step 2: Paint abstract background using lines, overlapping shapes/ patterns, animals, symbols, etc.

Step 3: Apply dots using q-tips over entire surface!

Checklist:

- 1. I drew out an interesting image that tells a story or has special meaning to me (ex: flowers, animals, repeating shape)**
- 2. I painted background first! Using lines, shapes, overlapping, repeating pattern techniques.**
- 3. I used a variety of colors that look visually appealing together.**
- 4. I covered the entire painting with dots using q-tips.**
- 5. I filled out check-list and wrote brief artist statement telling the story behind the painting (What is the painting about, the hidden message?).**
